

NEW ENGLAND ABRR HOST HOTEL

Indian Head Resort, Lincoln, New Hampshire

Friday and Saturday September 8th & 9th

Our home for two nights during the NE ABRR will be the Indian Head Resort in Lincoln, New Hampshire.

Located at the southern entrance to beautiful Franconia Notch Parkway, Indian Head Resort offers the most picturesque setting in the White Mountains. Each room includes a private balcony, 50" HDTV, mini-fridge, coffee service and microwave and fantastic views of the notch and mountains. Indoor and outdoor heated pools provide relaxation after those long drives, and a large hot tub will ease those British car driving muscles! An excellent award-winning restaurant and pub is onsite, and one of New Hampshire's best brewpub and restaurant is just a mile down the road.

Two room types are available: two queen beds or one king bed. Each is priced at \$129 plus tax per night. At the time of booking you will have the option of choosing the meal plan for an additional \$30. I recommend this option as you will have choice of dinner menu items with an appetizer or dessert and non-alcoholic beverage, plus a full breakfast the following morning. The cost would exceed \$40 if priced individually—amounting to a free breakfast each day.

Menu and resort details can be viewed [here](#).

Please note that the ABRR NE is not responsible for arranging your hotel stay. **Please contact the Indian Head Resort at 1-800-343-8000 for reservations and mention you are with the New England British Reliability Run.** September is a popular month for travel and rooms will go fast!
